Who We Work With

Current & Target Sectors:

✓ Real Estate

✓ Education

✓ Healthcare

✓ SMEs & Start-ups

✓ Professional Services

✓ International Business

Our Consultancy Approach

- 1 Listen deeply to understand your business context
- 2 Analyse data, processes and team dynamics
- 3 Identify root causes — not symptoms
- 4 Co-create practical, tailored solutions
- 5 Support implementation and measure outcomes

Why Cockpit Education Consultancy?

Cross-Cultural Expertise

Bilingual consultant bridging English and Turkish business cultures — an edge for international companies.

Proven Frameworks

Formal management consultancy training combined with 25+ years of real-world application.

Partnership Mindset

We don't just advise — we work alongside you, building your team's capability for long-term independence.

"Turning complexity into clarity — one business at a time."

Let's Grow Your Business Together

Book a free discovery consultation — no obligations, just honest conversation.
